NOTE: According to the prophet Jeremiah (Jer. 22:28-30) no descendent of Jehoiachin would ever prosper

“reigning on David’s throne.”

The Messiah must be born to a virgin descendent of David, not descended from Jehoiachin, who would marry (before the birth of her son) a man descended from David’s royal line through Solomon (to give her son a legal claim to the throne of David).

NOTE: The Temple in Jerusalem, with all of the written records proving ancestry, was destroyed in 70AD. Messiah must therefore appear before the Temple was destroyed.
