

## A PERSONAL INTRODUCTION

Klaus Kuehl and Rachel Cory-Kuehl are just two people who love to study and share the Bible. Rachel is a retired nurse anesthetist (CRNA) and Klaus is a physician assistant (PA). We've been married for thirty one years.

On the Sabbath, we meet for study and worship with a small home church near Tyler, Texas.

We hold many beliefs in common with Sabbath keeping denominations, but also hold some very unique beliefs concerning the second resurrection and the coming kingdom. A summary of our beliefs and detailed studies of each of those beliefs can be found on our website: [www.prophecyviewpoint.com](http://www.prophecyviewpoint.com).

Klaus is the computer-internet expert and Rachel writes the studies. We are trying to use our talents to further the Gospel, and ask that you pray for us.

Much love in Christ,  
Klaus Kuehl and Rachel Cory-Kuehl
